

INSPIRE EWG14440W

Fully integrated 1400rpm spin electronic washing machine with 5kg washing capacity

INSPIRE EWG14440W

PRODUCT BENEFITS

Time Manager

The new Electrolux washing machines with Time Manager enable you to adapt the duration of your washing cycle to the time you have, so that it stays your time, for your work, your family or your leisure. The choice is yours.

6 Time Manager levels

Regulate your own washing duration. Time Manager is equipped with 6 levels of time, easy to manage with a simple switch. The choices appear on the LCD screen. The shirt icon indicates the suitable stain level of the time selected. Thus, you always have the best result within the shortest time.

PRODUCT FEATURES

Active Balance Control (ABC)

This machine is equipped with Active Balance Control, ABC, to reduce noise and disturbances during spinning. With the ABC system noise and vibrations are reduced by up to 50%, which means

TECHNICAL DATA

Colour:	White

Product Class:	Washing Machine
Product Installation:	Built-in
QP_Questions:	1,4,1
Load Capacity kg (Wash):	5
Washing Technology:	Eco valve with 3 rinses
Front Door:	Big porthole
Motor System:	Universal
LCD or LED Indicator:	LCD
User Interface:	LCD medium display
Energy Class:	A
Spin efficiency:	B
Wash Energy Rating:	A
Height (mm):	820
Width (mm):	600
Depth (mm):	541

that you can now use your washing machine also late in the evening, without disturbing your neighbours. The machine increases the speed in small steps and goes up to full spin speed only when the laundry is evenly distributed and the drum is in complete balance.

Max spin speed: 1400 rpm

The higher spin speed the lower rest humidity in the clothes and shorter drying time. The drying time in a tumble dryer depends on the level of residual humidity - the lower the shorter and accordingly you also save energy cost.

Volt:	230-240
Drum Volume:	42
Water Consumption per cycle Wash & Dry (litres):	49
Rinse System:	Anti-foam system
